Assistant Principal

January 11, 2012

Dear Parents and Guardians:

Happy New Year! With the New Year comes several important reminders and updates from the high school. Most importantly, mid-term exams are scheduled for January 24<sup>th</sup> through January 27<sup>th</sup>; please note the cafeteria will be closed on these days. ***Monday, January 23<sup>rd</sup> is a regular school day.*** Additional information is included, which details the exam schedule and times. Please refer to this schedule for exam start and end times, and for all busing information.

Continuing with our district's efforts to utilize technology to enhance our program we will be launching "Kid Serve", a point of sale system that allows students to purchase food in the cafeteria using a pin code rather than cash. Additional information has been sent to all homes from the district giving more details on this service. As you have been reading since the summer, the high school will be moving to a fully electronic report card and progress report beginning with the 2<sup>nd</sup> quarter report card. We will no longer be mailing report cards and progress reports home. Each household needs to set up an account following the steps provided in previous mailings and on our web page. If you have any questions regarding this set up please call Mrs. Christine Cerrato at 914 769-8340. Many parents have already established their account and once activated it is good for all students regardless of grade level in that family.

Lastly, I would like to take a moment to remind everyone of the upcoming Community Budget Forum hosted by Dr. Guiney. On January 19<sup>th</sup> at 7:30 pm she will be discussing the upcoming budget and its challenges. Please mark your calendars and join us in the Westlake Library.

Thank you for your continued support and cooperation.

Dedicated to excellence,

Keith Schenker
